LETTER OF RECOMMENDATION

THE BOBCATS

Dear Danny, Bob, Jean & Harvey – The Bobcats Band,

It was such a pleasure and honour to have THE BOBCATS BAND play at our daughter's Wedding on August 24, 2014. We, including Tarina and Tim, wanted to show off your incredible musical style and sounds, as well as deliver the amazing result of your entertainment (at its best) to families and friends of our Daughter and Son-in-law's families and friends. You all did this and more. Thank you, Thank you, and Thank you!

Tarina and Tim received so many compliments at their Wedding and since then, at other Weddings and celebrations they have attended..... YOU WERE ABSOLUTELY MARVELLOUS & MORE... MEMORABLE! The BOBCATS played a huge part in making it such a success. Everyone know a band can make or break a wedding and you made it! Thanks, Thanks, Thanks for everything!

For Henry and me, it was a PROUD moment. Sharing such talented music and style. Their Wedding was perfect! It was primarily due to the BOBCATS that everything From perfect introductions, the music throughout dinner and then you all totally rocked the house down later in the evening. The music was phenomenal, everyone sang along because your music is so recognizable and even the 2 year old flower girl was grooving while her parents and everyone sang every word (words we all knew), as you all - absolutely blew us away.

Bob signature vocals – has the most incredible sexy voice that just makes you want to twine yourself around someone - his playing is unbeatable- it's not a wonder he is successful soloing, Jean with his Gibson and super sexy bass style was awesome – he just gets it on, the drum gloat-beats and gratuitous drum patter on Harvey's beautiful set was soulful and happening and perfectly timed - I could hear the beat all night long and Danny, WOW your talent is endless, from infectious riff's to riveting, unbelievable licks – you had a raptured audience watching you all night. We loved how the crowd bowed to every song started, they were totally captured and your fans for life! It was perfect entertainment for a perfect couple. People dancing all night realized halfway through the songs, how incredible the singing was (not just the sweet-sweet musical sounds), and how amazing Bob's silky vocals were, Danny's smooth harmonizing just added and enhanced the entire piece. How incredible to realise it was Bob & You singing, so much better than a CD or a DJ.

How can we ever thank you and your truly amazing fellow band members? You absolutely made their wedding one that we will never be forgotten. The BOBCATS were brilliant! From the start of the first note to the last dance, you were professional and perfect.

For Tarina and Tim, choosing the music was a very important process. You put their minds at ease from the very beginning. We really appreciate your talent and your willingness to "go the extra mile." You really out-did yourself! Danny, you guys are quite simply – THE BEST! There is no doubt in our minds of WHICH BAND to request. There simply is no other choice.

Here's comments heard throughout the night and since then, it's been over a year and still your praise is heard!

- What a wonderful job The BOBCATS BAND did at your Wedding. We should have hired them for ours rather than the DJ chosen, it was such a disappointment for us. After the camaraderie and interaction with the BOBCATS and their music, we could not stop dancing. I will recommend the BOBCATS to all our friends and business associates.
- Tarina and Tim had 140 guests at their wedding and I swore all of them have commented to me how amazing the band was. Your interpretation of each song was amazing, the variation of music and the entertainer in you them to know what to play when was perfect. You were not too quiet or too loud, you just worked the room beautifully.
- Thanks for inviting us to the best wedding ever. You looked so happy. We enjoyed every moment from seeing your happiness, the signature drinks were amazing, the venue, OMG the venue was incredible, so was the food and to top it all off ---- The Bobcats Band made our night the fun memory it was. We danced every dance and left singing. I am so recommending the BOBCATS to everyone we know.
- We had a wonderful time at your wedding and your Bobcats band played a big part in making it so much fun. We would not hesitate to recommend your band to anyone looking for one.
- WOW Tarina and Tim! What a fabulous Wedding. Gorgeous venue, awesome eats and WOW your Band. My husband and I had seen the Bobcats at our Golf Club a few times so we thought we had seen and heard just how great these guys are, but to our pleasant surprise you were even better at your wedding -

which we didn't think was possible. They made attending your wedding the most enjoyable day and night. We are still talking about how amazing they were.

- Tarina and Tim, Thank you! We loved every moment of your beautiful wedding, especially your band. Talking after the wedding was over about how great the Bobcats were. How did you Ever Find Such a Great Band?
- We loved your wedding, you both looked so amazing. The great music you provided got everyone on their feet. (And my parents are not the dancing types!). You guys totally rocked and your band was star power!
- Your band was so professional in keeping things moving throughout the night. They are all so talented, their music added even more style and fun to your reception. We had so much fun and my feet will never stop tapping.
- Tarina and Tim, we had a blast - and so did everyone else! We will definitely book the BOBCATS and call Danny. Thanks for the recommendation and sharing such brilliant talent.
- So many more....

Tarina and Tim Thanks:

Thank you, thank you, thank you for contributing to such a wonderful night - everyone has been raving and we couldn't be happier with our decision to have you guys rock our night away!

Thought long overdue, Tim & I send this letter with heartfelt thanks for making our Wedding festive, memorable and unique!

The BOBCATS BAND was exactly what we wanted – a Unique entertainment experience. 50's, 60's, 70's done only the way the BOBCATS do it. Music to make you get up and dance the night away. Which is exactly what we did. Thank you Bob, Danny, Jean and Harvey. It was a dream come true! Everyone loved you!

Thank you so very much for a perfect wedding day. Thanks to you we danced the night away. Thank you for being so easy to work with. Our wedding certainly ended perfectly with everyone on the dance floor. This was our dream come true. It is so amazing when everything comes together. The music always fit the mood of the celebration and our families and friends loves to celebrate. We sincerely thank you for everything.

Tim and I knew we needed a BAND that could play dance tunes which would be familiar to our wedding guests to share a joyful day of celebration with us and the memory of the dance floor crowded with friends and relatives of many generations and 'demographics' showed we were lucky to have been able to choose THE BOBCATS BAND, One of Vancouver's best and finest! You played great music and brought everyone to their feet dancing! Thank you for the best night!

Mum and Henry always said, 'There is no substitute for live music at a Wedding. It is what people remember long after any of the other particulars of a celebration. All of our guests have commented on the quality of the music at our wedding. Tim and I could not have been happier with the recommendation and choice of THE BOBCATS BAND. Of course, we would have had no other band. You're practically family. How lucky we are! Please pass out thanks along to the rest of the band. We could not have been more pleased with the music at our wedding!

Your music topped off our evening of Zombies and madness at Hycroft Manor. We are delighted that you and your band were able to contribute your talents and sounds for guests to enjoy. We will always recommend THE BOBCATS BAND, with high acclaim and personal praise.

Best of luck to you and The BOBCATS BAND.

Thank you again, Bob, Danny, Jean and Harvey. You're sincerely appreciated. I will continue to recommend the BOBCATS BAND at all events requiring a live performance by one of Vancouver's TOP BANDS! The Best!

Sincerely,
